General Rules of Conduct

All Members will strive at all times to be a positive addition to the group:

(Initial) By treating other Members, athletes, parents, officials, volunteers and coaches with respect and striving to contribute to a positive and respectful training environment for all;

(Initial) By following instructions presented by the coach or leader;

Resolution of Disputes and Disciplinary Procedures

FNSC and the Members agree that alleged breaches and disputes relating to the Code of Conduct or any athlete agreement including the Code of Conduct shall be dealt with in a timely manner.

All Members of FNSC should undertake to resolve any differences or disagreements with another Member in good faith and in a non-confrontational and timely manner. Minor breaches of discipline shall be dealt with by the coaching staff and/or FNSC Directors, by discussing the problem with the Member(s) involved.

(Initial) A written record of the incident and discussion will be made. Resolution of the problem could involve the imposition of disciplinary measures, which may include suspension of training or competition privileges including entry to races.
