

Biathlon/Racing Bears Coach Positions

Thank you for showing interest in coaching the Foothills Bears programs. We are looking for coaches who are excited to work with young athletes and are driven to create a fun and rewarding biathlon program. Coaching young Bears athletes is a great way to get started in coaching as well as a part time job that can complement your love of the sport.

The requirements for coaching Bears are as follows:

- Standard First Aid
 - If you do not already have First Aid training, let us know that you plan to pursue this soon. The club will pay for your course fees.
- Community Coaching Silver an/or Gold
 - If you are not yet trained, a coaching course will be offered in the fall. Indicate your willingness to take this course on your application.
- Availability to coach some or all of Monday, Tuesday, Wednesday and/or Thursday evenings through the fall and winter. Also, availability to coach occasional weekends and/or support Bears at KinderCup and/or Calforex races.
- Valid Firearms Possession and Acquisition License or Minor's License

To apply, please send a resume and cover letter to:

- biathlon@foothillsnordic.ca
- biathlonbears@foothillsnordic.ca

Please ensure that your cover letter answers the following questions:

- Why do you want to coach?
- What do you feel you can provide to the coaching team and to the athletes?
- What do you hope to gain from coaching?

Please provide us with at least 2 references and their contact info. If you are a current athlete, one of your references can be your current coach.
