Lighting Plan
2020-2021

Notes: Plan to add 5 new lights along the north side of the driving range that will be powered by generator. Total lights = 16

Confederation Park Nordic Covid-19 Plan

- Signs will be posted at entrances to the ski areas asking that if they are not feeling well to stay home and reminders on physical distancing (see posters on next slide)
- Extra entrances will be created at the main parking lot with one way directions to promote/enable physical distancing. Signage will be posted noting entrances and exits. See parking lot map for details.
- Foothills will work with other ski groups to establish meeting places for clubs/cohorts to minimize crowding at the main entrance. Main entrance will be a “No Gathering” area and will establish a get in/get out policy. Signage will be posted to this effect.
- Volunteers will be screened using Alberta Health Daily Screening Checklist.
- Practices held by ski clubs will follow return to play guidelines set out by Alberta Health and Nordiq Alberta.
- All equipment used by volunteers will be sanitized after each use. This includes:
 - Shovels, rakes, etc
 - High touch surfaces inside the groomer (Can-am Defender) will be wiped down with disinfectant wipes after each use.
- Warming trailer will be only be used during the evenings for programs and will only be used for warming purposes if a child is cold and needs to warm-up. There will be a maximum occupancy for the trailer based on physical distancing requirements and masks will be required. The trailer will be cleaned every day that it is in use.
- Outhouse will be cleaned daily

Confederation Park Nordic Covid-19 Plan

COVID-19

Have you travelled outside Canada within the last 14 days?
Or been in close contact with a confirmed or probable case of COVID-19?

OR

Do you have a fever, or cough, runny nose, sore throat or shortness of breath?

If yes, **STOP**.

Help prevent any potential spread of COVID-19 and other illnesses.

Please do not visit today if you are unwell.

Original date: MARCH-2020

Calgary 

Face covering REQUIRED

All persons must wear a face covering in indoor public premises and in public vehicles.

The City of Calgary Bylaw 26M2020

Exceptions include children under two years of age, or persons with an underlying medical condition or disability which inhibits their ability to wear a face covering.

Visit calgary.ca/covid19 for more information.

COVID-19 INFORMATION

COVID-19 ALBERTA HEALTH DAILY CHECKLIST

Overview

This tool has been developed to support activity organizers, employers, businesses and facility operators in reducing the risk of transmission of COVID-19 among attendees/staff. The tool is meant to be used to assist with assessing attendees who may be symptomatic, or who may have been exposed to someone who is ill or has confirmed COVID-19.

Attendees should fill out this checklist prior to participating in the activity or program. If an individual answers YES to any of the questions, they must not be allowed to attend or participate in the activity or program. Children and youth will need a parent to assist them to complete this screening tool.

As the COVID-19 pandemic continues to evolve, this screening tool will be updated as required.

Screening Questions

	CIRCLE ONE	
	YES	NO
1. Does the attendee have any new onset (or worsening) of any of the following symptoms:		
• Fever	YES	NO
• Cough	YES	NO
• Shortness of Breath / Difficulty Breathing	YES	NO
• Sore throat	YES	NO

Physical distancing

You should maintain at least **2 metres** between yourself and anyone else.

This is about the length of the average bicycle, tire to tire.
